Welcome Address

Dear colleagues and friends,

On behalf of the organising committee for the global PGI alumni summit 2024, we would like to invite our esteemed alumni from all over the world.

Our community of PGIMER Alumni has a strong and vibrant presence throughout the world and thus we invite you to join the 3-day wonderful reunion in the vibrant city of Chandigarh!

It is with great pleasure and excitement that we come together to celebrate the rich legacy of our alma mater and the outstanding contributions of our fellow medical professionals. This summit will serve as a beacon of camaraderie, unity, and collaboration, as we will gather to reconnect with old friends, forge new connections, and exchange insights and experiences that have shaped our journey in the field of medicine.

Over the course of the weekend, we invite you to immerse yourselves in a diverse array of engaging sessions, Alumni visit to parent department with guided nodal officers, down the memory lane, gala dinner, cultural programmes and plenty of recreational activities

Global PGI Alumni Summit

But beyond the exchange of knowledge and expertise, this reunion summit is also a celebration of the bonds that unite us as members of the medical fraternity. As we come together to reminisce about shared memories and experiences, let us reaffirm our commitment to excellence, compassion, and service in everything we do.

On behalf of the organizing committee, we extend our warmest welcome to each and every one of you. Believe us, this reunion summit will be a source of joy, inspiration, and renewal as we continue to strive towards our shared vision of a healthier, happier world.
