2nd PGI Global Alumni Medical Conclave

Dear Colleagues and Friends,

On behalf of the Organizing Committee of the **2nd PGI Global Alumni Medical Conclave 2026**, we are delighted to invite our esteemed alumni from across the world.

The **PGIMER alumni** community has a strong and vibrant global presence, and we warmly invite you to join us for a wonderful three-day reunion in the vibrant city of Chandigarh.

It is with great pleasure and enthusiasm that we come together to celebrate the rich legacy of our alma mater and the outstanding contributions of our fellow medical professionals. This conclave will serve as a platform for camaraderie, unity, and collaboration, as we reconnect with old friends, forge new relationships, and exchange insights and experiences that have shaped our journeys in the field of medicine.

Over the course of the weekend, we invite you to immerse yourselves in a diverse array of engaging sessions, including alumni visits to parent departments with guided nodal officers, nostalgic “down memory lane” experiences, a gala dinner, cultural programmes, and a host of recreational activities.

Beyond the exchange of knowledge and expertise, this reunion is also a celebration of the enduring bonds that unite us as members of the medical fraternity. As we come together to reminisce about shared memories, let us reaffirm our commitment to excellence, compassion, and service in all that we do.

On behalf of the Organizing Committee, we extend our warmest welcome to each one of you. We are confident that this reunion will be a source of joy, inspiration, and renewal as we continue to strive towards our shared vision of a healthier and happier world.

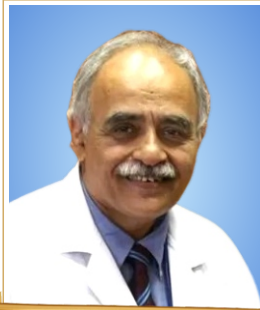

Thank you, and we look forward to welcoming you to the City Beautiful soon.
